

VIJAYA KRISHNA YALAVARTHI

🏠 <https://yalavarthivk.github.io> ✉ yalavarthi@ismll.de 🔗 [yalavarthivk](#)
in [vijaya-krishna-yalavarthi-27a4414b](#) 🎓 Google Scholar
📍 Information Systems and Machine Learning Lab, University of Hildesheim,
Germany

RESEARCH INTERESTS

Deep Learning, Time Series Analysis, Probabilistic Modeling, Generative Modeling

EDUCATION

University of Hildesheim Ph.D. in Data Analytics <i>Summa cum Laude</i>	Hildesheim, Germany 2025
Nanyang Technological University, Singapore Master of Engineering (by research) in Electrical and Electronic Engineering	Singapore 2017
Jawaharlal Nehru Technological University Anantapur Bachelor of Technology in Electrical and Electronics Engineering <i>First Class with Distinction</i>	Anantapur, India 2012

EXPERIENCE

Information Systems and Machine Learning Lab Post Doctoral Researcher	University of Hildesheim, Germany 03.2025-
• Coordinator of Data Analysis and Research Center • Supporting PhD students in their research • Teaching lectures on Machine Learning related topics	
Pay Per Click Group Machine Learning PhD research intern	Booking.com, Netherlands 07.2024-12.2024
• Developed uncertainty-based models to improve exploration of “Long Tail” keywords • Engineered weighting logic to mitigate cold-start bias and activate dormant keyword segments • Advanced models to live A/B testing to evaluate new bidding strategies on global PPC traffic	
Information Systems and Machine Learning Lab Research Assistant	University of Hildesheim, Germany 08.2018-07.2024
• Project Manager of IIP-EcoSphere • Supervising Master students in their thesis • Teaching Assistance for lectures on Machine Learning related topics	
Department of Computer Science Research Associate	Nanyang Technological University, Singapore 07.2016-01.2018
• Research in data mining in social and information networks	

- Supporting Bachelor's students for their projects
- Papers in IEEE BigData 2018, CIKM 2017

Central Scientific Instruments Organization
Trainee Scientist

Council of Scientific and Industrial Research, India
09.2012–08.2014

- Research and Development of Energy Management Systems for commercial buildings
- Energy Auditing for office workspaces

HONORS & AWARDS

- Sebastian Thrun Prize for best computer science student, *University of Hildesheim* 2025
- Faculty 4 best dissertation award, *University of Hildesheim* 2025

TECHNICAL SKILLS

Programming Languages: Python, Tensorflow, PyTorch

Languages: Telugu (native), English (fluent), Hindi (working proficiency), German (basic)

TEACHING

COURSE INSTRUCTOR

- Machine Learning - 1, *University of Hildesheim* WiSe 2025-26
- Machine Learning - 2, *University of Hildesheim* SoS2 2025

TEACHING ASSISTANCE

- Deep Learning, *University of Hildesheim* SoSe 2019
- Deep Learning, *University of Hildesheim* SoSe 2020
- Modern Optimization Techniques, *University of Hildesheim* WiSe 2022-23

SERVICE

PEER REVIEW

- ICLR: 2025,2026
- NeurIPS: 2025
- AAAI: 2026
